

Dear Parents,

Valentine's Day is quickly approaching and the second grade homeroom team has been busy planning the class Valentine celebration.

The second grade classrooms will be celebrating on Wed., Feb. 14th from 1:15- 2:30pm.

Students will be given an opportunity to pass out valentine cards to the class. We have attached a list of the students.

We will be making several crafts at the party . We are asking for a \$3.00 donation to help cover the cost of the crafts.

We are also in need of a few additional items for the party. If you would be willing to help supply any of the following items please return the bottom portion of the sheet to your classroom teacher.

As always, thank you for your time and continued cooperation.
