

Dear Parents,

The holidays are quickly approaching and the second grade homeroom team has been busy planning the winter party. The second grade classrooms will be celebrating on Thursday, December 14th from 1:00 – 2:15pm.

The students will be involved in many fun activities celebrating winter and the end of their Polar Express Unit.

To help cover the cost of the special crafts the students will be making at the party the homeroom team is asking for a \$3.00 donation per student.

Each class is also in need of a few other items to help make the party successful. If you would be willing to donate any of the following items please let your class homeroom parent know by returning the bottom portion of this sheet.

The second grade homeroom team greatly appreciates your help in making the class party a success.

Thanks,

Parent's Name _____ Student's Name _____

Phone Number _____ E-mail _____
